

Notification of Rate Decrease

Garland Light and Power Company implemented Tri-State Generation and Transmission, A-40 wholesale rate increase, January 1, 2017. Based on major changes in Garland's expenses in the next few years Garland's Board of Directors made the decision and resolution to absorb this increase. Starting March 1, 2017 Garland's rates will change back to the rates charged in 2016.

The decrease will begin on March 1, 2017. If you have any questions you can call Mary Ann Keeler at the office, 307-754-2881.

This notice is to inform you that a Rate Decrease will go into effect on March 1, 2017. Members may file a written complaint outlining their objections and requesting a hearing on or before April 10, 2017. The complaint must be delivered to the office of Garland Light & Power at 755 Hwy 14A, Powell, WY. If the complaint is signed by not less 5% of the member owners in a rate class, a hearing shall be conducted by the Garland Light & Power Board of directors pursuant to W.S. Section 37-17-104. Pursuant to that statute, Garland L&P shall provide, upon request of a member owner, and pursuant to Garland's by-laws, a list of names and contact information for all member owners included in the rate class of the requesting member owner.

If within two months of the final implementation of the retail rate, a complaint signed by not less than 5% of the member owners in any rate class is filed with Garland L&P Board of directors, the Board shall have two months from the date of filing to attempt to resolve the complaint. After the two months from the filing of the complaint, if the complaint is not resolved, the complaint may be filed with the Wyoming Public Service Commission, which shall investigate the rate adjustment.
